

HOMEOWNER COMMAND CENTER

Maintenance • Repairs • Projects • Records

A practical operating system for your home

- 27 organized pages
- Fillable fields + print-friendly layout
- US Letter and A4 included
- Designed for homeowners, new buyers and organized households

START HERE

Complete the Home Snapshot and Utility Shutoff Map first.
Then print or duplicate the tracker pages you use most.

QUICK INDEX

Print this page as the front-of-binder navigation sheet.

01 HOME SNAPSHOT

Core property details at a glance

02 UTILITY SHUTOFF MAP

Record where critical shutoffs are located

03 HOME SYSTEMS DIRECTORY

Keep key system details together

04 APPLIANCE PASSPORT

Track model, serial, warranty and service

05 WARRANTY VAULT INDEX

Know what is covered and until when

06 CONTRACTOR DIRECTORY

Reliable contacts before you need them

07 ANNUAL MAINTENANCE MAP

Plan recurring care across the year

08 SEASONAL HOME RESET

A practical seasonal inspection page

09 MONTHLY MAINTENANCE LOG

Capture what was checked and completed

10 FILTER & CONSUMABLE TRACKER

Never guess the last replacement date

11 SAFETY DEVICE CHECK

Track alarms and household safety devices

12 REPAIR TRIAGE SHEET

Organize a problem before calling for help

13 REPAIR & SERVICE LOG

Build a service history for your home

14 HOME PROJECT PLANNER

Plan upgrades without losing scope

15 PROJECT BUDGET

Keep estimated and actual costs visible

16 QUOTE COMPARISON

Compare up to three providers consistently

17 PAINT & FINISH LIBRARY

Save the details you will need later

18 ROOM MEASUREMENT SHEET

Keep measurements for furniture and projects

19 HOME INVENTORY - HIGH VALUE

Record major belongings for reference

20 MOVE-IN BASELINE

Create a starting record for a new home

21 SELLER HANDOFF RECORD

A clean maintenance summary for future handoff

22 EMERGENCY CONTACT CARD

Fast access to essential household contacts

23 DOCUMENT LOCATION INDEX

Know where important records are stored

24 HOME NETWORK RECORD

Keep non-sensitive network setup notes organized

25 SERVICE VISIT NOTES

Capture what a technician tells you

26 30-DAY HOME ACTION LIST

Turn maintenance into an actionable queue

27 NOTES & SKETCHES

Measurements, diagrams and free-form notes
